HANGS IN THE BALANCE.

Does the Life of England's King, Edward VII.

LONDON, June 25, 2:11 p. m.—The following bulletin was issued at 2 p. m.:

"The King passed a comfortable morning, and his condition so far is satisfactory.

"TREVEES, LAKING, BARLOW."

LONDON, June 25—Anxious suspense over the condition of King Edward, shared, as is evidenced by: shoals of telegrams from abroad, by the whole civilized world, hardly will be much lessened by the bulletin issued by the attending physicians at 10:30 o'clock this morning as follows:

"His Majesty was very restless and had no sleep during the early part of the night. He obtained some sleep, however, after 1 o'clock this morning, is free from pain, and no untoward symptoms presented themselves. Considering all circumstances, His Majesty may be said to be progressing satisfactorily.

Successful Lawn Fete.

Despite the rather cool atmosphere last evening the lawn fete given by the W. I. C. Society of the First Baptist church at the home of Mr. and Mrs. J. H. Boake on North Chestnut street, was a decided success. The attendance was good and refreshment tables were well patronized. The gross receipts were more than twenty dollars.

A feature of the evening's entertainment worthy of special mention was supplied by Mr. Earl Cox. He gave several selections on the Aluminum Chimes and the Maramphone which were novel and showed him to be an artist with these instruments. He also recited a selection proving that he understands the delineation of character. The entertainment he furnished was thoroughly appreciated by all present. Music furnished by others was also much enjoyed.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. You can get this reliable remedy at The Peter Drug Co. Regular size 75 cts. Get Green's Special Almanac.

SUNDAY SCHOOL CONVENTION.

The Terre Haute Meeting was one of the best Ever Held in the State.

The State Sunday School Association which met at Terre Haute, June 17, 18 and 19, was considered the greatest state convention held in the United States. Nearly 2,000 delegates registered; seventy-six counties were represented, Jackson county sending twenty-eight delegates.

The state president being absent because he was sick, Rev. Carman, the state general secretary, led the opening session with devotional exercises, and the spirit of prayer which pervaded the meeting made itself felt during the entire convention.

Prof. E. O. Excell had charge of the music and introduced his latest song book, many of the songs being sung for the first time. Only he who has heard Mr. Excell lead a vast audience in music can know how well he can do his part, and without the song services the convention would not have been quite such a success. Three ladies are worthy of special mention, Mrs. Lamoreaux, of Illinois, who gave an address on "Childhood," was present during the three days and was especially helpful to the primary workers. Miss Frayser gave two Bible stories, one on the birth of Christ and the other on the Prodigal Son. These she told in a clear, simple, modest way but so wonderfully sweet that almost the hardest heart would be touched.

Miss Frayser is state primary superintendent of Kentucky, and Jackson county hopes to have her present at the County Sunday School Convention. Miss Philley, of Ft. Wayne, gave a talk on "How to Enlist and keep Young Men in Sunday School." She gave her own experience in her Sunday school work with a large class of young men.

Such men as J. Wilbur Chapman, D. D., of New York, two International Sunday school officers, C. D. Meigs and Marion Lawrence and many others were there, all of whom gave excellent instructions on all lines of Sunday school work. The qualifications of a Sunday school teacher were emphasized. The teacher must have good training, carefully prepare, be consecrated in the work, and have some degree of spiritual power. Some one said the time is coming when every teacher will hold a certificate of graduation from the Sunday school Normal Department.

The Messenger Department was thought to solve the boy problem in Sunday school. Over 2,000 boys are wearing the messenger buttons and doing efficient work in Indiana.

A great opportunity for people of all occupations who cannot attend Sunday but desire to, is to identify themselves with some Sunday school by becoming a member of the home department of that Sunday school. Mr. Lawrence in the closing address said the children are the ones who are important to get into the church and it can best be done through the Sunday school. The Mormons hold their children because of the excellent teaching in their Sunday schools, they having a prescribed course that takes twenty-two years to complete.

The convention closed with "Blest be the Tie that Binds," and a benediction.

BOY COMMITS SUICIDE.

Body Found in the Field Wednesday
Morning.

Asa Snow, a boy who made his home
with John Stelter northwest of Sey-
mour, on Louis Schneck's place, was
found dead in the wheat field Wednes-
day morning with a bullet hole in his head.
It is evidently a case of suicide.

He was a cripple, having had one
leg amputated some time ago. Tues-
day morning he left the house on his
crutches, stating that he was going to
Seymour. In the evening when he did
not return Mr. Stelter and his family
became uneasy, fearing that something
had happened to him. They instituted
search but did not find him until
early Wednesday morning. His body
was found in the wheat field quite a
distance from the house. He was lying
on his face and his right hand
gripped a 32 calibre revolver in which
there was one empty shell. There was
a bullet hole in the side of his head
just back of the right ear. Dr. Kye,
deputy coroner, was called and made
an examination of the body and took
the testimony of some of those who
saw the boy last. His verdict will be
that it was a case of suicide.

The revolver belonged to another
boy who worked for Mr. Stelter and
roomed with Snow. Snow had taken
the revolver from the place it was kept
and loaded it before he left the house.
Asa Snow was seventeen years of
age and besides being a cripple was
in poor health. His physical condi-
tion caused him to be despondent and
doubtless prompted him to take his
own life.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give you Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

"DEAR MRS. PINKHAM:—I have been married for nearly two years, and so far have not been blessed with a child. I have, however, suffered with a complication of female troubles and painful menstruation, until very recently.

MRS. IDA L. ROSER.

"The value of Lydia E. Pinkham's Vegetable Compound was called to my attention by an intimate friend, whose life had simply been a torture with inflammation and ulceration, and a few bottles of your Compound cured her; she can hardly believe it herself to-day, she enjoys such blessed health. I am once more in fine health and spirits; my domestic and official duties all seem easy now, for I feel so strong I can do three times what I used to do. You have a host of friends in Denver, and among the best count, Yours very gratefully,—Mrs. Ida L. Roser, 326 18th Ave., Denver, Col.—\$5000 forfeit if above testimonial is not genuine.
